PENNANT FOR DYHEOUSE TEAM. Champions of American Thread Mill League Snatch Victory from No. 2 in Ninth Inning.

There was a large crowd at Horse-shoe park Saturday afternoon and much excitement was manifested during the playing of the baseball game between the Dyehouse nine, champions of the American Thread Mill League, and No. 2 mill of the same league.

The game was interesting and there was more noise than that made at the big league game in Boston or New York. The score was 3-2 in favor of the Dyehouse. At one time during the contest, and it was a true contest, the score was tied in the eighth inning.

Things looked interesting for the supporters of No. 2 mill outfit and the supporters of the Dyehouse crowd appeared grim. The ninth inning, however, proved a rocky one, as the run that won the game for the Dyehouse was scored in that session.

The battery for the Dyehouse was A. Hamel and Hoyle, and for No. 2, J. Higgins and J. Hamel. Thos. P. Berth was umpire.

President George K. Anderson of the league presented the pennant to the champions of the Dyehouse crowd at the exhibition game. Among those present at the game was a number of the Dyehouse delegates to the congressional convention.

ECZEMA THAT SPREADS How a Poughkeepsie, N. Y. Man Found Relief in Saxo Salve.

"I had been troubled with weeping eczema for months and used many preparations for skin troubles without relief. The first application of Saxo Salve allayed the dreadful itching immediately and after further use my skin trouble entirely disappeared."

—W. H. Glynn, Poughkeepsie, N. Y.

In eczema the little vesicles or pimples are filled with a fluid that irritates and tortures the skin the moment they are torn open by scratching. This causes it to spread.

In such cases we can conscientiously recommend our new skin remedy, Saxo Salve, for its action on the skin in all forms of eczema and other distressing skin troubles is indeed marvelous.
